Nabil,

In accordance with the commitment letter and the treatment plan submitted to you on September 17, 2003, ABRWTF has authorized Solutia to increase the GMCS pumping rate to 1250 gpm, effective today October 7, 2003 We will make the flow rate adjustments and will be pumping 1250 gpm by the end of the day today We will remain at that rate until the next increase is approved by ABRWTF
